

Post-Koch Ecology International Symposium I "From sequences to cells"

日時 (Date and Time) : 2023/03/28 17:00-19:30 (JST, UTC+9)

開催形式 (Style) : Zoom 事前登録制 (Registration required)

Registration : <https://postkoch.jp/event/1st-symposium>

使用言語 (Language) : 英語 (English)

プログラム (Program)

17:00 Opening remarks

17:10 Yusuke Okazaki (Kyoto University)
"Tracking the microbial genomic diversification in freshwater lakes through high-resolution eco-genomics"

17:55 Sung-Keun Rhee (Chungbuk National University)
"Ecophysiology and niche differentiation of ammonia-oxidizing archaea"

18:40 Christa Schleper (Universität Wien)
"What Asgard Archaea can tell us about the origin of Eukaryotes"

19:25 Closing remarks

Sponsored by Grant-in-Aid for Scientific Research on Innovation Areas "Post-Koch Ecology"

Co-sponsored by ERATO FUKATSU Evolving Symbiosis Project

Co-sponsored by Microbiology Research Center for Sustainability (MiCS), University of Tsukuba
